A county award system is one developed by a county association that gathers nominations through local affiliates and selects one county-wide award recipient. Criteria for the county award are designed by the individual county and should not conflict with the state and national award's criteria and purpose.

Locals must complete a nomination form and provide a nomination statement to their county association. Also provide no more than three letters of support that may assist in the evaluation of the nominee. Nominees will not be considered if they are sent from their local association and not through their county association as per the NJEA Delegate Assembly selection process.
